

The Midwife Center for Birth and Women's Health – Maternity Fees

Standard Prenatal Care Covered Under the Professional Fee- <ul style="list-style-type: none"> • Orientation • All prenatal visits <ul style="list-style-type: none"> ○ One hour long initial prenatal visit ○ Subsequent AP appointments (typically 9-14 appts) • Labor and delivery care by a midwife here OR at the hospital • Education and newborn assessment by a CNM • Unlimited phone consultations • Two postpartum office visits (at two and six weeks post-partum) 	\$3000 (Code 59400)
--	-------------------------------

Facility Fee- <ul style="list-style-type: none"> • Routine supplies for labor and delivery at The Midwife Center • Use of a birth suite • Staff RN to assist Midwife • 4-12 hour postpartum stay at The Midwife Center • One postpartum home visits by a staff RN* <ul style="list-style-type: none"> *Some health insurance plans will only cover one postpartum home visit. Our midwives highly recommend two such visits. You have the option of paying \$100 out-of-pocket for the second postpartum home visit. **Home visits requiring more than one hour of driving will be conducted at The Midwife Center, rather than the patient's home. Home Visit Mileage Surcharge, when home is > 45 miles from TMC----\$25 each visit 	\$3200 (Code varies by insurance carrier, use Tax-ID 25-1864282 and NPI 1922073378 to identify The Midwife Center)
--	--

Please Note: If you transfer to the hospital from TMC or plan a hospital birth and end up having a c-section or if the consulting doctor at the hospital participates in your delivery, that physician will bill for their fees and you will receive a bill from them separately from us. We will bill per hour for care from the midwife from time of admission up until your delivery. All prenatal and postpartum visits will be billed as a separate charge. Please contact the specific hospital for fees and costs of service.

Prenatal Care and Services Not Covered in Fees Above	
Non-Stress Tests , performed/read at TMC only	\$85 (Code 59025)
Non-Stress Tests , read at the Hospital only (hospital will bill additionally for performance of the test)	\$75 (Code 59051)
Lactation Consulting Visit	\$100 (Code 99215)
Rhogam Supply	\$175 (Code 90384 or J2790)
Administration of Rhogam Injection	\$40 (Code 96372)
Newborn Hearing Screening Some health insurance plans will only cover this screening when it is administered at a hospital by an audiologist. If you wish for TMC to administer this test instead, you may be responsible for \$100 out-of-pocket.	\$100 (Code 92586)
Nitrous Oxide – not billable to insurance	\$200

The following education, diagnostic tests, therapeutics, procedures, labs, etc., **ARE NOT** included in the fees above; however, the CNM may refer clients for the listed services (and/or others) when indicated:

6. Physician Charges – All physician charges, High Risk Pre-natal Consults, Pediatric Evaluation
7. Problem Visits: Non-pregnancy related visits

In addition, services for medical care provided by The Midwife Center that may not be considered routine pregnancy care by insurance carriers will be billed separately. As such, individual co-payments, co-insurance and patient financial responsibility may apply. We strongly suggest that you follow up with your insurance provider to check on your other benefit details and eligibility, or if pregnancy verification is required for authorization of insurance.

For any questions about our fees, please contact our Medical Biller, Kim, at 412-321-6880 extension 213.

We can assist in clarifying your benefits, but ultimately you are financially responsible for services provided by The Midwife Center, including co-payments, co-insurance, deductibles and any other items not covered by your insurance. Questions regarding your coverage should be directed to your insurance company directly. Please notify us immediately for any updates and changes in insurance.
